

The background of the slide is a vibrant green with a fine, diagonal line pattern. Overlaid on this are several large, soft-edged, organic shapes in varying shades of green, creating a layered, abstract effect. A solid light blue horizontal band spans the width of the slide, serving as a backdrop for the title text.

The Impact of Early Learning on Community Development

Overview

- Our Centers and Schools
 - Focusing on infant and toddler programs
- The Bright Horizons Foundation for Children
- A curriculum of empathy, caring, compassion, and social responsibility

Mission Statement

The Bright Horizons Family Solutions mission is to provide innovative programs that help children, families, and employers work together to be their very best.

We are committed to providing the highest quality child care, early education, and work/life solutions in the world.

WE STRIVE TO:

Nurture each child's unique qualities and potential

Support families through strong partnerships

Collaborate with employers to build family friendly workplaces

Create a work environment that encourages professionalism, growth, and diversity

Grow a financially strong organization

We aspire to do this so successfully that we make a difference in the lives of children and families and in the communities where we live and work.
